CHARGING AND REMISSIONS POLICY

Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents.

Responsibilities

The Governing Body of the school are responsible for determining the content of this policy and the Headteacher for implementation. Any determination with respect to individual parents will be considered jointly by the Headteacher and Governing Body.

What charges cannot be made for.

The Governing Body of the School recognise that legislation prohibits charges for the following;

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment.
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.

Remission

Children whose parents are in receipt of the following support payments will, on addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are;

- Income Support
- Income Based Jobseeker's Allowance
- Support under Part VI of the Immigration and Asylum Act 1998
- Child Tax Credit
- Guarantee element of State Pension Credit

Remissions will be calculated on a trip by trip basis and will give reductions for the elements of the visit for which reductions should be made. This will however mean that an element of the costs of the trip may still need to be paid.

From time to time use may be made of the school's PE grant to subsidise the cost of visits, particularly residential trips.

Voluntary Contributions

Parents will be invited to make a voluntary contribution for the all visits that the school arranges. In the case of Reward trips for individuals or classes, the school may decide to waive any voluntary contribution.

The terms of any request made to parents will specify that it is a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents;

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request
- c) that a trip will not be able to proceed if insufficient voluntary contributions are made.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

Voluntary contributions will be used to;

- Offset running costs for the trip (eg entrance fees, refreshments provided)
- contribute towards the running and maintenance costs for the minibus
- provide specialist teachers/instructors for specific activities
- cover transport costs (for those trips outside school hours for which transport costs can be levied).

Damages and Losses

The school reserves the right to charge for any breakages, vandalism or other damage caused by children. This includes for example asking for payment for lost reading books, textbooks and library books.

School Meals and milk

The Governing Body will pass on to those parents who are required to pay, the charge that the catering agency/Local Authority determines for school meals and school milk.
