

Collective Worship

Our Collective Worship focus this week has been **'How can we make good choices?'**

On Monday we thought about how God gave us free will to make choices and how the choices we make affect other people. We talked about how us making good choices can make our school, our community and our world a special place. These children have been chosen for a special certificate for trying really hard to make good choices this week.

'To speak evil of no one, to avoid quarrelling, to be gentle, and to show perfect courtesy toward all people.'

Our Vision

Develop the individual light in every pupil, so they can learn as much as possible and reach their unique potential. We want to ignite curiosity through our curriculum and create a culture of gratitude and good deeds. With hope and humility, we want our children to take on the world and make it a better place.
