

### Collective Worship

Our Collective Worship focus last week was about how we can get back on track if we have made a mistake. We thought about how what we do after we have made a mistake is the most important thing. We listened to a story from the Bible about Zacchaeus who got back on track after he met Jesus. We talked about the word 'repent' which means to turn things round and get back on track. These children have been awarded a certificate for knowing how to get back on track.

**Just as the Lord has forgiven you, so you must also forgive others.**
