

Friday 24th March, 2023 Collective Worship

Our Collective Worship focus this week has been 'Is it good to be curious about the natural world?'

Mr Marsden asked the children to think about what nature we can **observe** around us and how we can **protect** and **respect** it. We have also had a very exciting time in school when our five duck eggs hatched ... they can be heard all the way down the main corridor and the children have loved coming to visit them.

God called the dry land Earth, and the waters that were gathered together he called Seas, And God saw that it was good. Genesis 1:10

Our Vision

Develop the individual light in every pupil, so they can learn as much as possible and reach their unique potential. We want to ignite curiosity through our curriculum and create a culture of gratitude and good deeds. With hope and humility, we want our children to take on the world and make it a better place.
