

### Collective Worship – 29.9.2023

Our focus in Worship this week was '**compassion**'.

We thought about how listening to others and showing compassion can help us to live out our school values.

We talked about a definition of compassion being: seeing that someone is sad or suffering, trying to understand how they are feeling and showing that you care about them.

Opal Class shared their worship this week which focused on Good Deeds. They asked each teacher to nominate someone for an additional certificate this week for doing good deeds in school.
