Attendance and Punctuality

Children should be ready to start school at 8:55am – class teachers are on the playgrounds from 8:50am so that they can meet the children and be ready in the classrooms for 8:55am.

Children are marked as late if they arrive between 9am and 9:15am. Children arriving after 9:15am receive a 'late after registers have closed' mark which is classed as an unauthorised absence.

If your child is going to be absent from school for any reason, please contact us to let us know why.

When attendance drops below 90% it is classed as persistent absence.
