Dear Parents and Carers,

As we come to the end of another successful school year, I am pleased to share our class organisation and teaching arrangements for September with you.

To help ensure a smooth transition, all children will have the opportunity to spend time with their new teacher this week. These transition sessions allow pupils to become familiar with their new classroom and new teacher and ask any questions they may have, helping them feel confident and excited about September.

We recognise that change can sometimes feel daunting, but our staff work closely together to ensure every child feels supported throughout the transition. We are confident that all of our teachers will provide a caring, engaging and stimulating learning environment where every child can flourish.

We are pleased to welcome two new teachers who will be joining our school community from September. Each brings a wealth of experience, enthusiasm, and a strong commitment to providing the very best education and care for our pupils. They will both be joining us next week to meet the children.
